

Mobile Prescribed Burn Unit

Are you wanting to improve wildlife habitat or other grasslands with a prescribed burn?

Do you need access to prescribed burn equipment?

Check out the “Mobile Prescribed Burn Unit” available through Pheasants Forever!

This collection of prescribed burn equipment is stored in an enclosed trailer and available for use on your prescribed burn.

The unit is designed to contain all the necessary equipment to conduct a safe and effective prescribed burn.

The equipment is available to check out at no cost for members of the Central Nebraska Prescribed Burn Assoc.
