PROPERTY INSURANCE COVERAGE - CHAPTER OWNED EQUIPMENT

CHAPTER NAME: _____ CHAPTER # _____

CONTACT NAME: _____ LOCATION EQUIPMENT IS STORED: _____

CONTACT PHONE #: _____

City State Zip

EQUIPMENT DESC: _____

YEAR/MAKE/MODEL: _____

SERIAL NUMBER: _____

VALUE OF EQUIPMENT: \$ _____

Coverage Information

Coverage is currently provided by Allied Insurance and provides coverage for loss or damage of property due to theft, fire, accident, etc. PF/QF National reserves the right to change the insurance carrier without notice to the chapter. Note: This policy does not cover normal wear and tear on equipment. A deductible of \$1,000 applies. If a chapter would like to insure trailers that are licensed for use on public roadways, the deductibles are \$250 for comprehensive and \$500 for collision. Coverages is actual cash value (market value), not new replacement cost, so chapters are responsible for notifying PF/QF National of changes in equipment valuations. Valuation changes will be made at the beginning of the next policy period.

Cost to Chapter to Chapter

Equipment (Drills, tractors, etc):

The cost of this insurance coverage is subject to change based on changes in the premium charged by the carrier. The current rate is **\$13.25 per \$1,000 of value**, for all equipment. These rates good for the period: **11/24/16 - 11/24/17**. (Example: a seed drill with a current market value of \$10,000 would cost the chapter \$132.50 per year to insure.

Trailers (Licensed for use on public roadways):

Trailers that are licensed for use on public roadways can be covered, but are covered under our automobile policy. The rate for most trailers is \$100 per year. If the rate is different than the standard rate, you will be notified by PF National of the rate and can make a decision as to pursuing coverage through other avenues. Motorized vehicles for use on public roadways may not be insured through the Pheasants Forever, Inc. program.

Payment Processing and Renewal Information

The chapter will be charged for the coverage by PF/QF National one time per year for the entire annual premium. The charge will be made near the beginning of the policy period (November 24th) for the coming policy year. If equipment is added mid-year, the chapter will be charged for a prorated premium through the end of the policy period. All premium payments will be automatically deducted from the chapter's Cash Management Account, with a notice sent via mail or e-mail through the chapter officer e-mail system.

Coverage will remain in force until the chapter notifies the PF/QF National office to terminate coverage. Coverage will automatically renew each year and the chapter will be charged the new rate(s) unless the chapter notifies the PF National office in advance to terminate the coverage.
