

# PHEASANTS FOREVER & QUAIL FOREVER OF NEBRASKA

## 2020 YEAR IN REVIEW

This is a summary of dollars spent in Nebraska by the State Office and Chapters through various partnerships, chapter projects, public events, public outreach, and field operations. This summary only includes dollars spent through Pheasants Forever and does not include other partner dollars spent through their own organization.

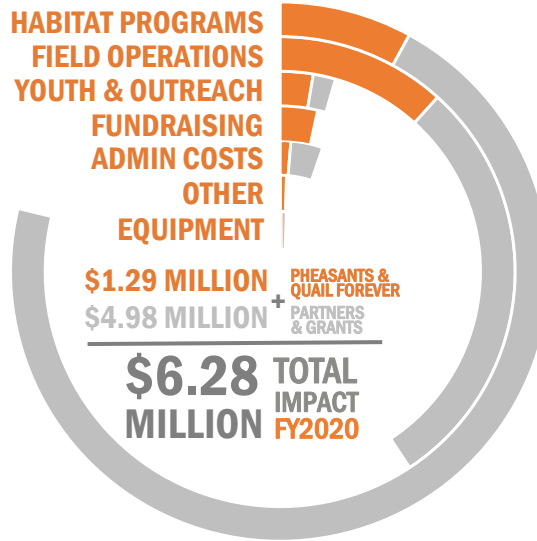

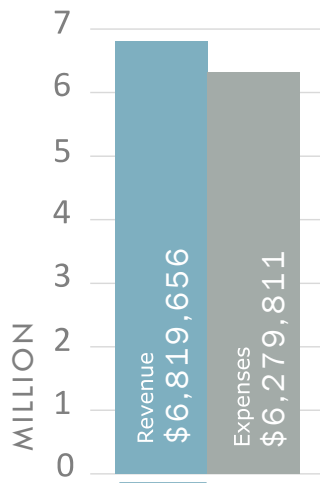

As the only national conservation organization that empowers chapters to determine how 100% of their locally-raised conservation funds are spent, Pheasants Forever is an extremely effective and efficient organization.

### WHERE YOUR DOLLARS GO

**93.6%** PROGRAM SERVICES

### REVENUE VS. EXPENSES

### THE IMPACT OF YOUR DOLLAR

Together, we raised **\$6.82 M** for our habitat mission  
 which helped to fund **4,044** habitat projects in Nebraska  
 to impact **542,776** acres of habitat improvements  
 through **60+** habitat programs and partnerships

<b>Partnerships and Program Grants 75%</b> 	<b>Chapter Banquets and Event Revenue 9.7%</b> <b>35 BANQUETS</b>   <b>\$658,701</b>	<b>Donor Events 4.9%</b> State Habitat Meeting 	<b>Chapter Habitat Fund 3.8%</b> Assets Released from Restrictions
			<b>Program Service Revenue 3.7%</b>
			<b>Other Revenue 3.1%</b> e.g. Gun-A-Week, Misc. Donations
			<b>Direct Contributions 0.1%</b>

Chapters contributed \$232,200 to the Chapter Habitat Fund in 2020 to support statewide objectives.

For every \$1, the Chapter Habitat Fund delivered \$19.48 in programs & services, with the help of partnerships & grants.

**THE BIG PICTURE**  
**19X** MORE IMPACT

## OUR MISSION

Pheasants Forever and Quail Forever's mission is to conserve pheasants, quail, and other wildlife through habitat improvements, public access, education, and conservation advocacy.

### DEDICATION TO CONSERVATION

With boots on the ground, our field operations are accomplishing our mission throughout Nebraska.

- 25** dedicated biologists working one-on-one with landowners
- 5,204** landowner contacts made for conservation planning
- 620** conservation plans developed to benefit soil, water, and wildlife
- 6.5 MILLION** historical acres impacted since 1986

### HABITAT IMPROVEMENTS AND PROGRAMS

Habitat for pheasants, quail, & other wildlife; public access for upland habitat enthusiasts.

- Corners for Wildlife 1,449 acres**  
Establishing quality habitat on pivot corners
- Grassland Improvement 1,492 acres**  
Habitat improvement with fire and grazing
- Habitat Share 3,896 acres**  
Enhancing public Wildlife Management Areas
- Open Fields and Waters 374,226 acres**  
Increasing public access on private lands
- Pathway for Wildlife 3,670 acres**  
Habitat for working lands and communities

### EDUCATION AND PUBLIC AWARENESS

Pheasants Forever educates current and future generations of hunters and land stewards.

- 38** Youth Mentor Hunts developing new and more active hunters
- 07** biologist-led habitat tours sharing our conservation message
- 09** burn workshops promoting the safe and effective use of prescribed fire
- 375** youth and adults engaged through education and outreach
