**CALL OF THE UPLANDS**  
THE NATIONAL CAMPAIGN OF PHEASANTS FOREVER & QUAIL FOREVER

# NEBRASKA

## Every acre tells a story:

the legacy of a family homestead inspiring future generations of farmers and ranchers; the place where you picked wild plums in summertime; the field where bluestem towered over your head on your first pheasant hunt. For some people, these places are hopes and faded memories. Today, we have a chance to change that story. Help answer the call.

**OUR MISSION :** Pheasants Forever and Quail Forever's mission is to conserve pheasants, quail, and other wildlife through habitat improvements, public access, education, and conservation advocacy.

**OUR WORK :** We engage a variety of partners in strategic and science-based work that creates and sustains high-quality habitat, access and outreach. These efforts lead to better outcomes for wildlife and people alike resulting in measurable impacts through statewide plans including the Nebraska Berggren Pheasant Plan and Nebraska Natural Legacy Project.

**OUR CALL TO ACTION:** *The Call of the Uplands - Nebraska Outdoor Heritage* brings together dedicated citizens, hunter conservationists, farmers, ranchers, and new partners with a common cause:

***Helping conserve Nebraska's outdoor traditions before it's too late.***

# YOUTH. HABITAT. ACCESS.

Pheasants Forever and Quail Forever need your help.

As a volunteer-based organization, our fundraising efforts result in landscape-level change. However, wildlife populations continue to experience drastic declines due to habitat loss. Hunter numbers continue to decline resulting in less funding for conservation. Youth continue to be less engaged in outdoor activity.

Through strong partnerships and volunteers, every dollar raised is leveraged with up to a \$14 return.
