

Prescribed Fire Training Workshops

A series of workshops will be held around the state in 2024 to provide guidance and instruction for completing safe and effective prescribed fires. These workshops are for landowners, resource professionals, volunteer fire departments and others interested in burning. No prior burn experience is necessary to participate.

Join a Prescribed Burn Association

Prescribed burn associations are a collection of landowners, land managers, and volunteers who pool time, equipment, and knowledge to help each other get prescribed fire on the ground within their communities. There are many existing burn associations across the state to volunteer with and an opportunity for new ones to be formed. Contact Brian Teeter at 402-219-2572 or bteeter@pheasantsforever.org to find one nearest you or to start your own.
